Post Office and Mail Services:

When you are ready to change your mailing address, simply go to the USPS website at <https://moversguide.usps.com/icoa/icoa-main-flow.do?execution=e1s1>. You will be asked to give your credit card, for which a \$1 fee will be charged (this ensures you are the person actually moving).

Also, as a convenience, we've added to the second page of this document a form that you can leave in the mailbox of your NEW HOME, notifying the postal service of your new residency. Be sure to include all persons and/or home businesses that will be receiving mail at this address. Fill out the form, then place it in your mail box WITH THE FLAG UP.

Additional Helpful Information:

If you require hotel accommodations during your move, we love to recommend the Holiday Inn here at Town Center. Please contact the manager, Gary Lvov at 480-837-6565 and mention that we recommended you...he'll be able to provide a discount and/or special accommodations.

For more information about postal service, schools, newspapers, and other community related services, check out our website at [www.SonoranLifestyle.com/Area\\_Info.htm](http://www.SonoranLifestyle.com/Area_Info.htm) this will give you access to numerous websites and area information.

Finally, you'll need to conduct a final walkthrough on the day of closing. If you are unable to attend, please designate someone you know locally you would like to have perform the walkthrough. Please send their contact information to us and we'll coordinate with them. We can also have the inspection company come back and perform the service...there may be a small fee for the service, but often it's well worth it since many of the items may be technical in nature and it's nice to have trained eyes looking at any repairs.
